

Toastmaster Time Television Program Studio Information

Recent news!

October, 2009

Because Comcast has recently changed the way they support public access television, TmT will no longer be recorded in Comcast's Fremont studio, where it has resided since 1997. We will soon have a new studio 'home', but until then, we will record in studios around the Bay Area.

Here is the location for the next show:

Thursday, Oct 22, 8pm - 10:30 pm
The Media Center
900 San Antonio Rd.
Palo Alto, CA 94303-4917

Here is the home page for the Media center:

Here are the directions to the Media Center:

Note on getting there: read the directions carefully. The studio is NOT directly on San Antonio; it is accessible via a frontage street (Transport) paralleling San Antonio.

Call George Marshall at 510-557-3386 the evening of the show if you need help.
